The schedule & competitor numbers will be sent out one week in advance. If there are less than 5 in a competition they will be combined with another age group. [Click here](#) to view and print the waiver. Please sign it and bring it with you the day of the feis.

## IMPORTANT INFO:

This event will not count for dancers to move up to the next level. It will give them an opportunity to dance with other dancers and in front of a judge, to get comments and feedback. Judges TBA.

The procedure for the feis will be:

- Dancers must bring a signed waiver form,
- Wear a mask,
- Come with costume, number, and light shoes on,
- Use hand sanitizer upon arriving and,
- Sign in on the attendance sheet as they come in the door.

Dancers should bring a small bag with 2 water bottles, their heavy shoes & tape, etc...

There will be no vendors.

Please print your competitor numbers at home once assigned. There will not be extra numbers available at the door.

Parents will not be allowed in the building.

One teacher from each school will be present to help with tying shoes, etc...

We will have 12 dancers per time slot. They will have enough room to social distance as it is a large ballroom dance studio.

We will only have dancers, a teacher from each school, and the judges in the building - so there will be less than 25 people at all times.

Your health and safety are our priority. Dancers/teachers/judges will wear masks the whole time. Dancers will dance 2 at a time. Boys and girls will be combined. Each time slot is for 1 hour--1 hour and 15 minutes. The studio will be disinfected between each group. Please enter through the front door. At the completion of each competition everyone will use hand sanitizer as they exit through the back door. The building will be open with fans on for ventilation.
